

PARAMEDIC FULL PRACTICE ACHIEVEMENT
Operational Policy

An intern must complete 3 months minimum, but the company officer has the option to extend the intern phase for as long as necessary.

Meaningful Evaluations:

- Detailed comments to include:
 - Types of runs
 - Performance as Team Lead
 - Strengths and weaknesses
 - Goals for next shift
 - Equipment competency
 - Documentation

Individual Performance Report

- Call Types
- Skills Performance
- Run Volume

Quality Assurance:

- Protocol Deviations
- Kudos/Complaints
- High Profile / High Risk Run

FD Recommended Action Plan

- Suggestions to make intern successful

Simulation:

- Intern must act as Team Lead:
 - Hands on assessment
 - Develop working assessment
 - Directs all team members
 - Develop treatment plan
 - Perform treatment interventions
 - Provide radio report
 - Choose appropriate destination
 - Provide hand off report
- Intern Paramedic Report drives simulation type
- May use any reference material normally available

Portfolio:

- Evaluations
- System Performance Report
- Attestation Letter
- Simulation Performance
