

Retirement Plan Services Communicator

March, 2022

From the Desk of the Director

Greetings Milwaukee County Retirees,

I hope this edition of the Communicator finds you well. The Retirement Plan Services team is excited for the approach of spring and encouraged by the recent drop in COVID infection rates. Milwaukee County has indicated that reopening planning is beginning so we hope to provide an update on walk-in requests in an upcoming edition of the Communicator.

Please stay on the lookout for major updates this year in the Communicator! In April, we plan to provide the content and instructions for accessing the virtual Annual Pension Board meeting; when permitted we will communicate reopening plans for walk-in requests; an election for the retiree elected seat on the Pension Board is scheduled for this fall and voting instructions will be provided in the Communicator; and finally, we will provide updates on our system upgrade that is planned to go-live in the fourth quarter of this year.

As always, if you have any questions please feel free to reach out to our team at (414) 278-4207.

Here's to warmer weather and longer days!

-Erika Bronikowski

Annual Pension Board Meeting Announcement

The Annual Pension Board Meeting will be held virtually once again this year. A Q&A (Question and Answer) opportunity will take place with the Milwaukee County Pension Board. General questions intended for the Pension Board will be presented in a General Q&A presentation.

You are invited to submit any question that you would like answered. To submit a question, please email ERS@milwaukeecountywi.gov before April 9th, 2022.
