

Retirement Plan Services Communicator

September 2026

From the Desk of the Director

Hello Milwaukee County Retirees!

Thank you for reading this edition of the Communicator! I appreciate your continued engagement and hope you find this update helpful as we move into the fall season. As usual, I have a few updates from around the team this month.

As indicated in last month's newsletter, our team is preparing for an **upcoming Relocation** around February 2027 to: 648 N. Plankinton Avenue, Suite 270, Milwaukee, WI 53203

We are working closely with the project team to ensure a smooth transition and will continue to share updates as plans progress. If we anticipate any changes to services or temporary disruptions, we will communicate those details promptly. In addition, we plan to provide clear instructions on accessing in-person services at least one month prior to the relocation.

I'm also excited to announce the return of **National Retirement Security Month (NRSM)**! October brings NRSM, and we're excited to celebrate with you once again. We are partnering with Empower Retirement to offer a series of engaging webinars and informative articles tailored for both employees and retirees. These resources are designed to help you stay informed, confident, and empowered in your retirement planning. Details about upcoming webinars and educational opportunities can be found on our website: County.Milwaukee.Gov/Retirement.

If you have any questions about your pension, please do not hesitate to reach out to our team at 414-278-4207 or ERS@MilwaukeeCountyWI.Gov.

Sincerely,
Erika Bronikowski
