

Mitchell Park Domes

2020 DAYTIME WEDDING PERMIT APPLICATION

DOMES SETTINGS:

No matter what the time of year, you'll be surrounded by the beauty of live plants and flowers when you select the Mitchell Park Horticultural Conservatory (The Domes) for your daytime wedding site.

Site 1 – Floral Show Dome (themes of shows and prop locations are subject to change).

Each seasonal show has a specific theme, generally categorized as historical, cultural or fantasy, and chosen at least a year in advance. Plants are selected specifically for a particular floral exhibit and grown in our own Greenhouses. *Since the themes and props can change due to unplanned circumstances, we are unable to guarantee a specific prop or layout for staging purposes.

Site 2 – Desert Dome (light-filled landscape with the sculptural forms of succulents).

The Desert Dome's fine collection of succulents and water conserving trees, shrubs and bulbs are grouped by geographic regions. Your tour will take you from Madagascar, to southern and eastern Africa, South America, and finally North America.

Site 3 – Tropical Dome (lush environment, complete with waterfall).

In our microcosm of the rainforest, you'll encounter over 1,200 species of tropical plants as well as some tropical birds. Rainforest products you'll see include plants such as philodendrons, orchids, and calatheas. Other flowering plants that provide vibrant color to the tropical exhibit include amaryllis, hibiscus, crinum and heliconia.
