Conditions for Geocache Placement

- Geocaching is considered an acceptable outdoor recreational activity for most Milwaukee County Parks properties. **Geocache placement restrictions can be found in the document "GEOCACHING REGULATIONS ON MILWAUKEE COUNTY PARKS PROPERTY," which can be found at (www.countyparks.com).** As always, the placement of a geocache shall conform to all applicable Milwaukee County ordinances. **An approved permit is required from the Milwaukee County Parks Natural Areas Coordinator before a cache can be placed on Milwaukee County Parks' property.**
- Milwaukee County Parks reserves the right to terminate this authorization for placement of a geocache container on Milwaukee County Parks' land for any reason at any time. Milwaukee County Parks agrees to make a reasonable effort to contact the geocache placer prior to termination of this approval to allow the placer to remove the geocache or move it to a new location. If the Milwaukee County Parks is unable to contact the geocache owner/placer after a reasonable effort, Milwaukee County Parks' staff may remove the geocache.
- A geocache shall not be placed in areas that the Milwaukee County Parks land manager determines cannot tolerate human traffic or disturbance to the flora or soil. Such areas include, but are not limited to, stream banks, riparian zones, wetlands, prehistoric and historic archaeological sites, unique geological features, or unsafe areas.

Applicant Certification
