

PROJECT BRIEF

W RAWSON AVENUE (CTH BB)

RECONSTRUCTION PROJECT | SEPTEMBER 2026

W RAWSON AVENUE (CTH BB) HAS FULLY REOPENED TO TRAFFIC

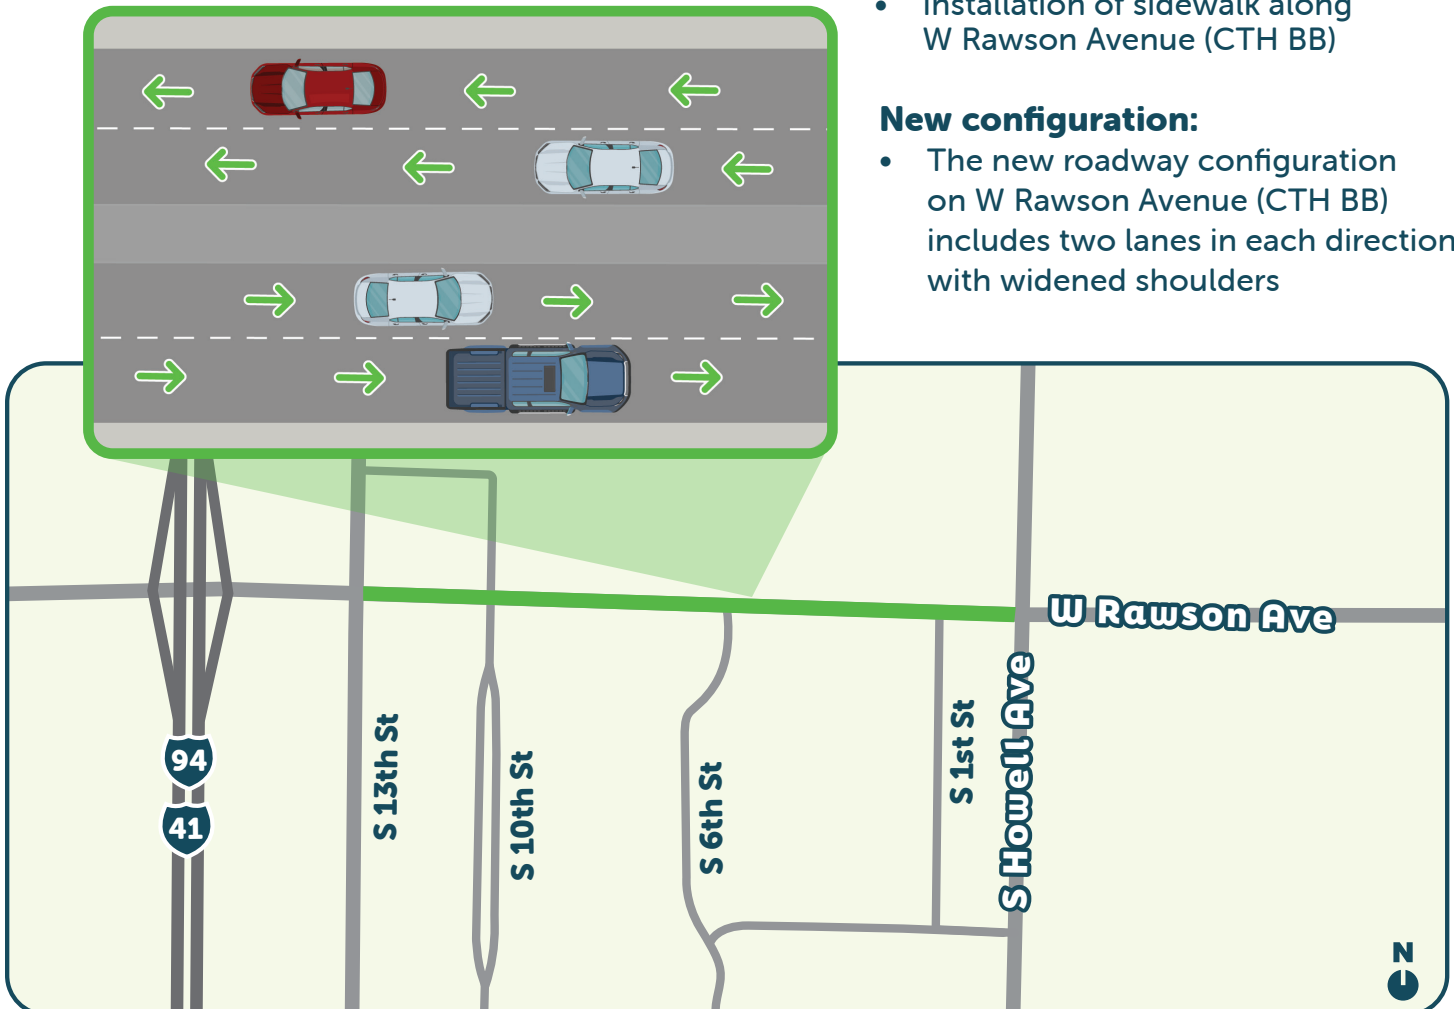

The Wisconsin Department of Transportation (WisDOT), in partnership with Milwaukee County, has completed the reconstruction of W Rawson Avenue (CTH BB) from S 13th Street to S Howell Avenue.

The following work was completed as part of the project:

- Major utility relocations and adjustments completed
- Reconstruction of the existing pavement structure with concrete pavement, including pavement markings
- Repaired the existing box culvert and storm sewer
- Installation of sidewalk along W Rawson Avenue (CTH BB)

New configuration:

- The new roadway configuration on W Rawson Avenue (CTH BB) includes two lanes in each direction with widened shoulders
