Project:

N. Lincoln Memorial Drive Traffic Signal Improvements, Intersections of:

- N. Lincoln Memorial Drive & E. Lagoon Drive
- N. Lincoln Memorial Drive & E. Lafayette Hill Road
- N. Lincoln Memorial Drive & E. Water Tower Rd

City of Milwaukee, Milwaukee County

Project No. 2984-25-75

Project Need:

The intersections along the signal corridor are experiencing delay and poor travel times.

Proposed Improvement:

The proposed improvement is to upgrade traffic signal controllers, detection, push buttons, and install 4-section flashing yellow left-turn arrows where applicable.

Construction Impacts:

- Anticipated Construction – Summer 2026
- The intersections will remain open during construction with short-term lane closures. Access to driveways will be available at all times.
