

DEPARTMENT OF TRANSPORTATION
Milwaukee County

Joe Lamers, Director

May 18, 2026

Project:

Layton Ave. (CTH Y) – Intersections with S. 84th St., S. 68th St., and S. Nicholson Ave.
Cities of Greenfield, Cudahy, and St. Francis, Milwaukee County
Project No. 2070-03-77

Project Need:

The intersections are experiencing safety issues that can be addressed with improved visibility of signal indications (red, yellow and green).

Proposed Improvement:

The proposed improvement is to replace traffic signal equipment, install 4-section flashing yellow left-turn arrows, and reconstruct curb ramps at each intersection.

Construction Impacts:

- Anticipated Construction – July 2026 to November 2026 with final restorations anticipated Spring 2027.
- The intersections will remain open during construction with temporary traffic signals, lane closures, and pedestrian detours. Access to driveways will be available at all times.
